Senior Connection Center (SCC) is holding public hearings to invite members of the community, our partners and stakeholders to comment on the service needs of older adults and how local services will be funded by SCC in 2017. After the public hearing portion of the meeting, SCC will continue the conversation with the audience to gather input into the development of its service delivery plan. We encourage the offering of ideas and innovative suggestions on how we can better achieve our planning goals to ultimately make a positive impact on those we serve.
