Avaya IX IP Phone J169/179
Quick Start User Guide

Avaya IX IP Phone J169/179

The screenshots in this guide are showing the J179.

The button layout and functionality is the same for both a J169 and J179 IP Phone.

The J169 has a monochrome display while the J179 has a color display.

*Note: An optional WiFi card is available for the J179 only.
