INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Senior Connection Center, Inc. and Affiliate Tampa, Florida

Opinion

We have audited the accompanying consolidated financial statements of Senior Connection Center, Inc. and Affiliate (the "Organization"), which comprise the consolidated statements of financial position as of December 31, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

To the Board of Directors Senior Connection Center, Inc. and Affiliate

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

To the Board of Directors Senior Connection Center, Inc. and Affiliate

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial The accompanying schedule of expenditures of federal awards and statements as a whole. accompanying schedule of expenditures of state financial assistance for the year ended December 31, 2023, appearing on pages 19 through 21, are presented for the purpose of additional analysis or to meet the requirements of Title 2 U.S. Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.650, Rules of the Auditor General, and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 12, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Senior Connection Center, Inc. ("SCC") is a not-for-profit organization incorporated under the laws of the state of Florida on February 2, 1981. SCC administers a network of services for the 60+ year old population in Hillsborough, Manatee, Polk, Highlands, and Hardee Counties. SCC exists to promote the independence, dignity, health, and well-being of the elder citizens; to plan, fund, and administer a coordinated system of services for seniors; to facilitate and enhance service delivery; and to advocate for the needs and concerns of older Americans. Care Connections, Inc. ("Care Connections"), a not-for-profit organization, was established in 2006 to provide educational seminars, provide community events, and raise public awareness to benefit older adults and assist them with unmet health and social service needs. All programs of SCC relate to assisting the elderly. Financial resources for accomplishment of the activities of SCC are principally in the form of federal and state government grants. SCC awards contracts to service providers who directly provide the services to the aging population.

Principles of Consolidation

The consolidated financial statements include the accounts of SCC and Care Connections (collectively, the "Organization"). These entities are related through an economic interest and the direct ability to determine the direction of management. All significant intercompany balances and transactions have been eliminated in consolidation.

Net Assets

Net assets are presented based on the existence or absence of donor-imposed restrictions. In these consolidated financial statements, net assets are reported as follows:

<u>Without Donor Restrictions</u> - Net assets that are not subject to donor-imposed restrictions.

<u>With Donor Restrictions</u> - Net assets whose use is subject to donor-imposed stipulations for a particular purpose or period of time. Donor restrictions can be temporary in nature and fulfilled by actions or the passage of time, or can be perpetual and be maintained permanently by the Organization. The Organization had no net assets with donor restrictions at December 31, 2023 or 2022.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates, and such differences could be material.

Cash and Cash Equivalents

The Organization considers all highly liquid financial instruments with a maturity of three months or less at date of purchase to be cash and cash equivalents, except for cash and cash equivalents held in investments. The Organization does not include cash or cash equivalents classified as investments as restricted cash when preparing its consolidated statements of cash flows.

Investments

The Organization's investments are reported at fair value. Fair value is determined using the quoted closing or latest bid prices on active exchanges, if available. Realized gains and losses are calculated based on proceeds received less carrying value at the beginning of the reporting period. The cost of securities sold is based on the average cost method. Changes in unrealized gains and losses represent the change in the market value of investment holdings during the period.

Due from Grantors

Amounts due from grantors represent amounts receivable from grantor agencies for allowable expenses incurred at or before the end of the year. Amounts due from grantor agencies are recorded at the net amount expected to be collected. There was no allowance at December 31, 2023 or 2022.

Furniture and Equipment

Furniture and equipment is stated at cost if purchased or at estimated fair market value at the date of receipt if acquired by gift. The Organization capitalizes expenditures for furniture and equipment in excess of \$1,000. Depreciation is provided on a straight-line basis over the estimated useful lives of the respective assets, generally five years. Leasehold improvements are depreciated over the lesser of the estimated useful life of the asset or the lease term. Maintenance and repair costs are expensed as incurred. The Organization has restrictions on disposals of fixed assets pursuant to grantor contracts. The Organization can gift furniture and equipment to its providers or dispose of assets with the permission of the grantor. During 2023 and 2022, the Organization did not dispose of any depreciable assets acquired under grantor contracts.

Due to Subrecipients

Amounts due to subrecipients represent amounts requested for reimbursement from the Organization for allowable expenses incurred or services performed by the subrecipients on or before the year end.

Leases

The Organization recognizes and measures its leases in accordance with Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 842, *Leases* (see Note 5). Right-of-use ("ROU") assets and lease liabilities are measured, categorized, and recognized at lease commencement. The Organization has elected not to recognize ROU assets and obligations for leases with an initial term of 12 months or less. To the extent a lease arrangement includes both lease and non-lease components, the components are combined as one component.

Operating lease ROU assets and associated lease liabilities are recognized based on the present value of future minimum lease payments to be made over the expected lease term. The Organization uses the rate implicit in a lease if it is determinable. When the rate implicit in the lease is not determinable, the risk-free rate as of the commencement date is used to determine the present value of the lease payments. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

Revenue Recognition

Support received from governmental grants are recorded as grant revenue, based upon the terms of the support agreement, which generally requires certain activities performed or reimbursable costs to be incurred for the funds to be earned and recognized as revenue. Funds received in advance of the activities performed or costs incurred are recorded as refundable advances and deferred revenue.

Gifts of cash and other assets received with donor stipulations that limit the use of the donated assets are reported as a donor-restricted contribution. When a restriction ends, or the purpose of the restriction is accomplished, donor-restricted net assets are reclassified to net assets without donor restrictions and are reported as net assets released from restriction. Donor-restricted contributions whose restrictions are met within the same reporting period are reported as contributions without donor restrictions in that period.

Program service fees consist of program administration and other program services performed for the Veterans Administration. Revenues are reported at the estimated amounts to be collected at the time service is rendered or reimbursed costs are incurred. The performance obligation is generally recognized with the delivery of service.

In-Kind Contributions

Contributions of noncash assets are recorded at estimated fair value in the period received. In accordance with U.S. GAAP, the Organization records contributed services if the services received create or enhance long-lived assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Donated services recognized as in-kind contributions approximated \$28,000 and \$12,000 for the years ended December 31, 2023 and 2022, respectively.

A significant number of unpaid volunteers donate their services in support of all program areas of the Organization. No amounts have been reflected in these consolidated financial statements for these donated services because they do not meet the above recognition criteria. The estimated fair value of the volunteers' donated services is approximately \$231,000 and \$175,000 for the years ended December 31, 2023 and 2022, respectively.

Fair Value of Financial Instruments

The carrying amounts of the Organization's short-term financial instruments approximate their fair value.

Income Taxes

SCC and Care Connections are not-for-profit corporations organized under the laws of the state of Florida and have been granted recognition of their tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. Accordingly, income earned in furtherance of their tax-exempt purposes is exempt from federal income taxes and, as a result, these consolidated financial statements include no provision or liability for income taxes.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of functional expenses. Accordingly, certain costs are directly attributed to the specific program or supporting service, and other costs have been allocated based upon relative time spent by employees, square footage, or other criteria. Salaries and other expenses that are associated with a specific program are charged directly to that program. Salaries and other expenses that benefit more than one program are allocated to the various programs based on the relative benefit provided. For grant purposes, general and administrative expenses were allocated to program services based on the total of the individual program service to total program services.

Reclassifications

Certain reclassifications have been made to the 2022 consolidated financial statements to conform to the 2023 presentation. Such reclassifications had no effect on the previously reported net income for the year ended December 31, 2022.

Advertising Costs

The Organization uses advertising to create awareness of services available and promote its programs among the audiences it serves. Advertising costs are expensed as incurred. Advertising expense for the years ended December 31, 2023 and 2022 was approximately \$149,000 and \$15,000, respectively.

Subsequent Events

Events and transactions have been evaluated for potential recognition or disclosure through September 12, 2024, the date the consolidated financial statements were available to be issued.

In July 2024, the Organization transferred \$1,000,000 to the Community Foundation of Tampa Bay ("CFTB") to invest \$900,000 in a reserve fund and the remaining \$100,000 in an endowment fund. The endowment funds are subject to variance power by the CFTB with the Organization retaining a beneficial interest in the endowment fund held at CFTB.

NOTE 2 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments consist of short-term Treasury bills.

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

If available, quoted market prices are used to value investments. Debt securities are valued at the closing price reported on the major market on which the individual securities are traded.

The following tables set forth, by level, within the fair value hierarchy, the Organization's investments measured at fair value as of December 31, 2023 and 2022:

| December 31, 2023 | Level 1 | Level 2 | Level 3 | Total | | |
|-------------------|--------------|-------------|-------------|--------------|--|--|
| Treasury bills | \$ 1,085,893 | <u>\$</u> - | \$ - | \$ 1,085,893 | | |
| December 31, 2022 | Level 1 | Level 2 | Level 3 | Total | | |
| Treasury bills | \$ 789,105 | \$ - | \$ - | \$ 789,105 | | |

NOTE 3 - LIQUIDITY

Financial assets available to meet cash needs for general expenditures within one year of the consolidated statements of financial position consist of the following at December 31, 2023 and 2022:

| | 2023 | 2022 |
|---------------------------|---------------|--------------|
| Cash and cash equivalents | \$ 5,189,042 | \$ 2,649,621 |
| Investments | 1,085,893 | 789,105 |
| Due from grantors | 4,870,987 | 6,070,937 |
| | \$ 11,145,922 | \$ 9,509,663 |

As part of a cash and liquidity management policy, the Organization structures its financial assets to be available as its general expenditures, liabilities, and other obligations become due. It is the practice of management to budget expenditures to equal budgeted funding for the year. The Organization has a goal to maintain financial assets on hand to meet 60 days of normal operating expenses and may invest cash in excess of requirements in Treasury bills. In addition, the Organization has lines of credit available to assist with any short-term liquidity needs should they choose to use them (see Note 6).

NOTE 4 - FURNITURE AND EQUIPMENT

Furniture and equipment consists of the following at December 31, 2023 and 2022:

| | 2023 | 2022 | |
|---------------------------------|------------|------------|---|
| Furniture and office equipment | \$ 172,278 | \$ 172,278 | |
| Computer equipment and software | 104,805 | 104,805 | |
| Leasehold improvements | 50,111 | 8,208 | |
| Less accumulated depreciation | (275,237) | (255,345) |) |
| | \$ 51,957 | \$ 29,946 | |

NOTE 5 - LEASE COMMITMENTS

The Organization has entered into noncancelable operating lease agreements for office equipment and office space which expire at varying dates through June 2027, and have a weighted-average remaining lease term of 3.44 years at December 31, 2023.

The leases are classified as operating leases and are initially measured at the present value of future lease payments over the lease term using discount rates that resulted in an estimated weighted-average discount rate of 1.36%. The ROU lease asset is amortized over the respective lease period using the straight-line method and the lease liability is reduced by the respective lease payments. The Organization paid approximately \$241,000 and \$196,000 in lease payments during 2023 and 2022, respectively. Amortization expense for the ROU lease asset was approximately \$242,000 and \$245,000 for the years ended December 31, 2023 and 2022, respectively.

NOTE 5 - LEASE COMMITMENTS (Continued)

| Year Ending December 31, | Amount | |
|------------------------------------|------------|--|
| 2024 | \$ 243,000 | |
| 2025 | 232,000 | |
| 2026 | 239,000 | |
| 2027 | 120,000 | |
| Total future minimum payments | 834,000 | |
| Less present value discount | (19,000) | |
| Present value of lease liabilities | \$ 815,000 | |

Future minimum lease payments under the operating leases as of December 31, 2023 are approximately as follows:

NOTE 6 - LINES OF CREDIT

The Organization has two lines of credit of \$150,000 and \$250,000 with a financial institution. The lines of credit are subject to annual renewals and have a variable rate of interest based on the prime rate published by the Wall Street Journal. There were no advances on either of these lines of credit in 2023 or 2022 and no amounts outstanding at December 31, 2023 or 2022. The lines of credits mature in February 2025.

NOTE 7 - DEFERRED REVENUE

During 2023, the Organization received a \$600,000 grant advance as a response to Hurricane Ian. All proceeds are to be used for rebuilding efforts. During the year ended December 31, 2023, the Organization incurred qualifying costs of approximately \$87,000, resulting in a deferred revenue balance of approximately \$513,000 as of December 31, 2023.

NOTE 8 - CONTRACT MATCHING REQUIREMENTS

The Organization is required to meet program matching requirements through cash or in-kind contributions. These requirements are partially met by the Organization and are proportionately passed through to subrecipients through contractual provisions in their provider contracts. For the years ended December 31, 2023 and 2022, the total program matching requirement was approximately \$518,000 and \$552,000, respectively. During the years ended December 31, 2023 and 2022, the Organization had matching amounts of approximately \$1,295,000 and \$688,000, respectively.

NOTE 9 - COMMITMENTS AND CONTINGENCIES

Employee Benefit Plan

The Organization has established a 403(b) plan and a 401(k) profit-sharing plan (the "Plans") for eligible employees. The Plans provide, among other things, for the Organization to match up to 4% of participants' voluntary contributions to the Plans and to make additional discretionary contributions to the Plans, which are allocated among participants without regard to their voluntary contributions. The Organization charged approximately \$215,000 and \$198,000 for its contributions to the Plans for the years ended December 31, 2023 and 2022, respectively.

Credit Risk and Economic Dependence

Financial instruments which potentially subject the Organization to concentrations of credit risk principally consist of cash and cash equivalents, investments, and due from grantors. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. Credit risk with respect to due from grantors is somewhat mitigated by the nature of the receivables and the taxing authority of the governmental entities funding the programs.

The Organization performs its program services with funds received primarily from government agencies. A significant reduction in the level of this funding, if this were to occur, could have a negative effect on the Organization's programs and activities.

Governmental funding is subject to statutory and regulatory changes, administrative rulings, interpretations of policy, intermediary determinations, and governmental funding restrictions, all of which may materially affect program reimbursement to recipient agencies. Changes in the reimbursement policies, as a result of legislative and regulatory actions, could adversely affect the revenues of the Organization.

Insurance Programs

The Organization is self-insured for its employee health insurance. The Organization purchases stop-loss insurance to limit its exposure. The current stop-loss policy reimburses the Organization for individual claims in excess of \$75,000. A liability for unpaid claims and the associated claims expense, including incurred but not reported claims, is estimated based on past claims experience and is included in the consolidated statements of financial position. As of and for the years ended December 31, 2023 and 2022, there was no liability for unpaid claims nor any associated claims expense.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE

Year Ended December 31, 2023

(1) **Basis of Presentation**

The accompanying schedule of expenditures of federal awards and schedule of expenditures of state financial assistance include the federal and state grant activity of Senior Connection Center, Inc. and Affiliate (the "Organization") and are presented on the accrual basis of accounting. The information in these schedules is presented in accordance with accounting principles generally accepted in the United States of America and the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General* of the State of Florida. Because the schedules present only a select portion of the operations of the Organization, they are not intended to, and do not, present the consolidated financial position, activities, functional expenses, or cash flows of the Organization.

Some amounts presented in the schedules may differ from amounts presented or used in the preparation of the consolidated financial statements.

(2) Indirect Cost Rate

The Organization did not utilize the 10% de minimis indirect cost rates for reimbursement of grant expenditures for the year ended December 31, 2023.

COMPLIANCE REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Senior Connection Center, Inc. and Affiliate Tampa, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Senior Connection Center, Inc. and Affiliate (the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2023, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 12, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors Senior Connection Center, Inc. and Affiliate

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors Senior Connection Center, Inc. and Affiliate Tampa, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Senior Connection Center, Inc. and Affiliate's (the "Organization") compliance with the compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the Department of Financial Services *State Projects Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs and state projects for the year ended December 31, 2023. The Organization's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2023.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650, *Rules of the Auditor General*. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

To the Board of Directors Senior Connection Center, Inc. and Affiliate

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

To the Board of Directors Senior Connection Center, Inc. and Affiliate

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency in *internal control over compliance* is a deficiency or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency of a federal program or state project with a type of compliance requirement of deficiencies, in internal control over compliance with a type of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.
