Medicare's Open Enrollment Period (OEP) runs from October 15 through December 7 each year. During this time, you can make changes to your health insurance coverage, including adding, dropping, or changing your Medicare Advantage and Part D coverage.

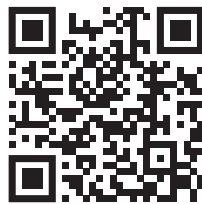

Use the OEP to review what you have, compare it with other options, and make sure that your current coverage still meets your needs for the coming year.

A SHINE Counselor can help you navigate Medicare by offering their free, unbiased, personalized guidance and support to help you understand your options.
